The mission of academic advising is to assist students in their growth and development by constructing meaningful educational plans which are compatible with their life goals. It is a continuous and consistent process which is built upon the basis of frequent, accumulated personal contacts between advisor and advisee. Effective academic advising is the cornerstone of the academic program of High Point University. Excellent academic programs will not accomplish the desired end result if students are not properly guided and counseled. As a church-related university, it is part of our mission to provide sensitive and thoughtful support to

counselor. As a church-related university, it is part of our mission to provide sensitive and thoughtful support to our students as they wrestle with the many choices open to them. Thus, academic advising fosters the development of the whole student who is a self-directed, motivated, responsible decision-maker and encourages the successful completion of degree requirements and timely graduation.

OUR EXPERT

OUR EXPERT TEACHER

An experienced kindergarten teaching team is the heart of a nurturing and engaging early learning environment. These educators bring a deep understanding of child development, using their expertise to create a safe and stimulating space where young learners feel supported and excited to explore. They excel at designing activities that balance play with foundational skills, fostering creativity, social interaction, and early literacy and numeracy. Their patience and warmth help build trust with children, making them feel valued and understood. Experienced kindergarten teachers are adept at recognizing each child's unique needs, tailoring their approach to encourage confidence and independence. By working closely with parents and caregivers, these teachers ensure a holistic approach to a child's growth, laying a strong foundation for future learning while making the kindergarten experience joyful and memorable.
